0

zero

Tracing practice for the number zero on a four-line grid. The first row contains seven solid zeros with stroke order arrows and numbers 1 and 2. The second row contains seven dashed zeros, with the first one having stroke order arrows. The following three rows each contain seven dashed zeros. The final row contains a dashed line and a solid line.

1

one

Tracing practice lines for the number 1. The first row shows 13 individual strokes of the number 1, each starting with a dot and a '1' indicating the starting point, with a dashed line and arrow showing the downward direction. Below this are four rows of handwriting guides, each consisting of a solid top line, a dashed middle line, and a solid bottom line. The first row of guides has a dashed number 1 for tracing, while the remaining three rows are blank for independent practice.

2

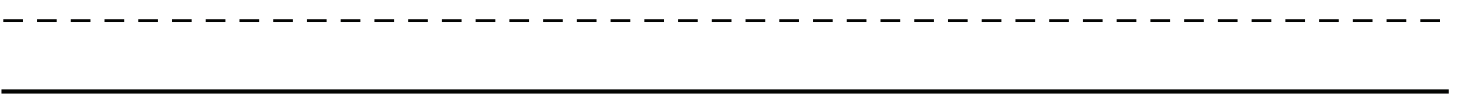

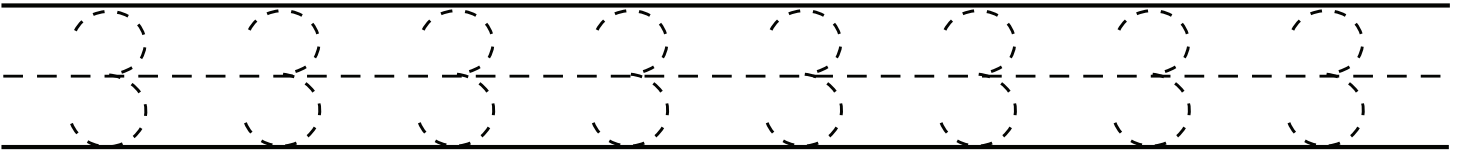

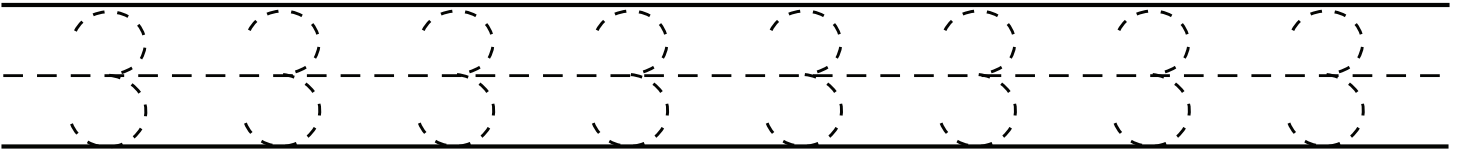

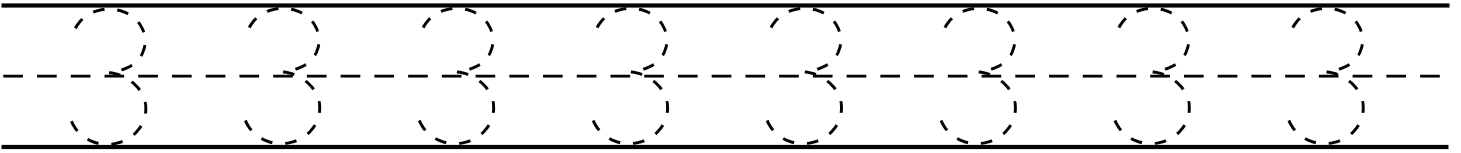

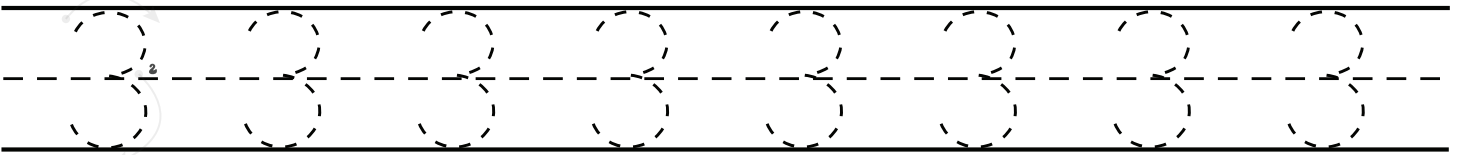

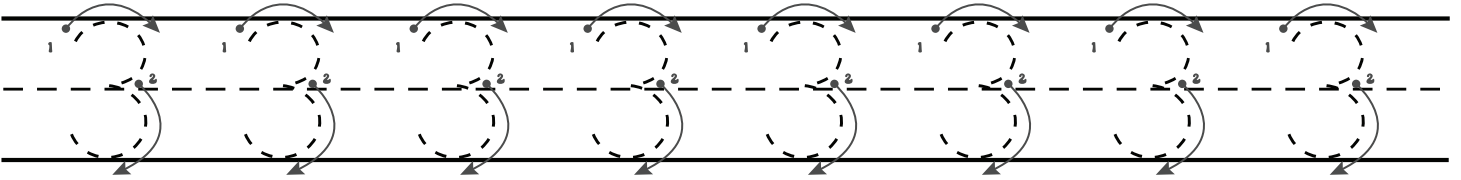

two

Tracing practice for the number 2. The page contains five rows of handwriting lines (top solid, middle dashed, bottom solid). The first row shows seven dashed '2's with numbered arrows (1, 2, 3) indicating stroke order. The second row shows seven dashed '2's with stroke order arrows on the first one. The third, fourth, and fifth rows each contain seven dashed '2's for tracing. The bottom two rows are empty handwriting lines for independent practice.

three

4

four

5

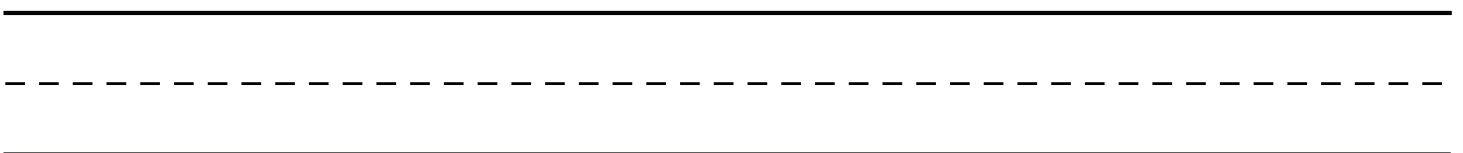

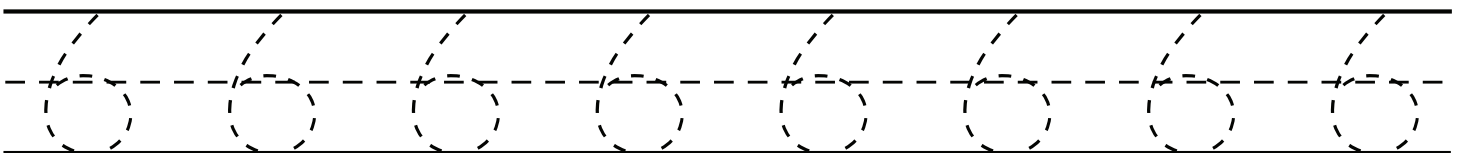

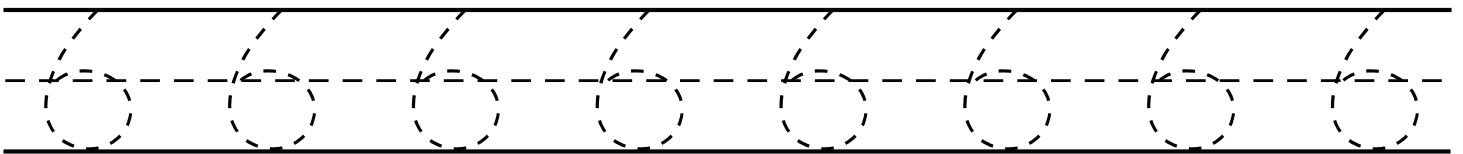

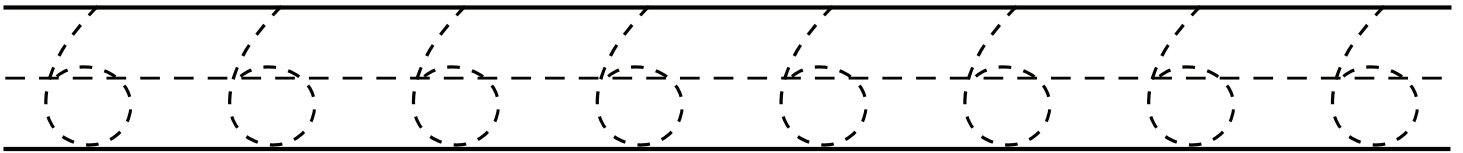

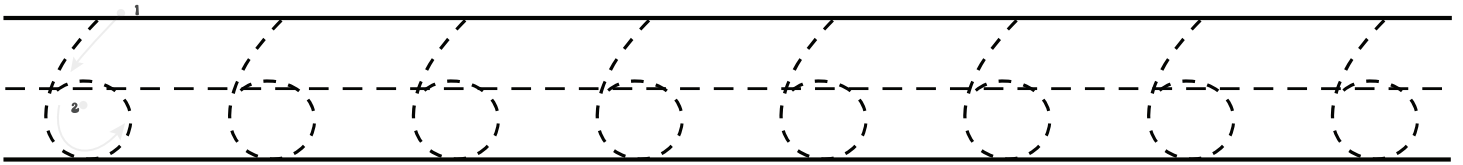

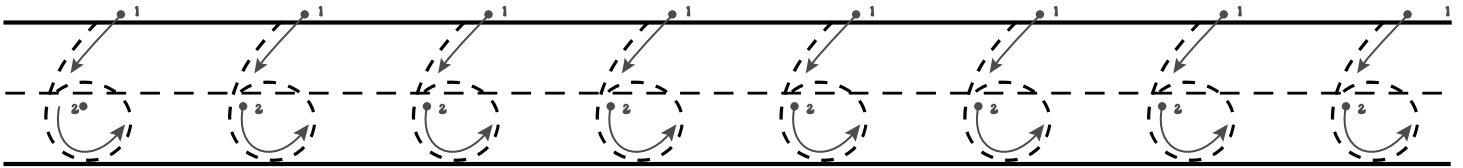

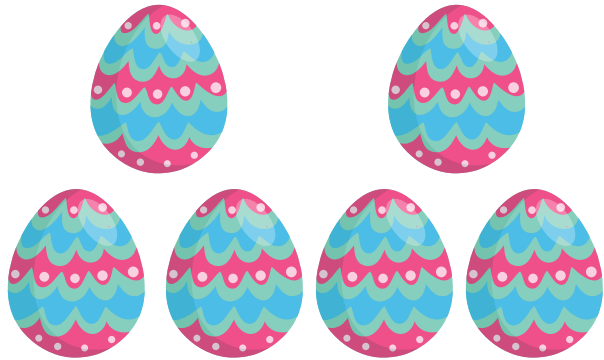

five

Tracing practice for the number 5. The page contains seven rows of handwriting lines (top solid, middle dashed, bottom solid). The first row shows stroke order: 1 (horizontal left), 2 (vertical down), 3 (curved down), and 4 (horizontal left). The second row shows a dashed 5 with stroke order numbers. The next five rows each contain seven dashed 5s for tracing. The final row is empty for independent practice.

6

six

7

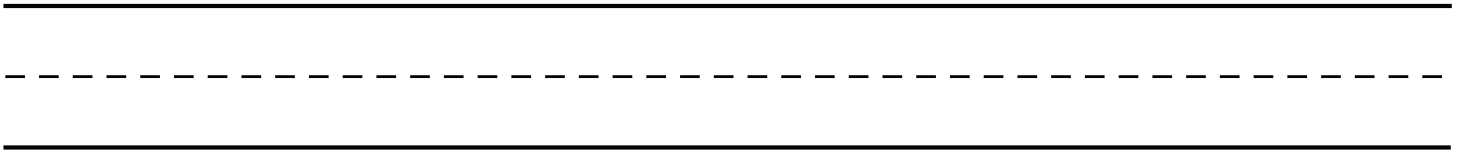

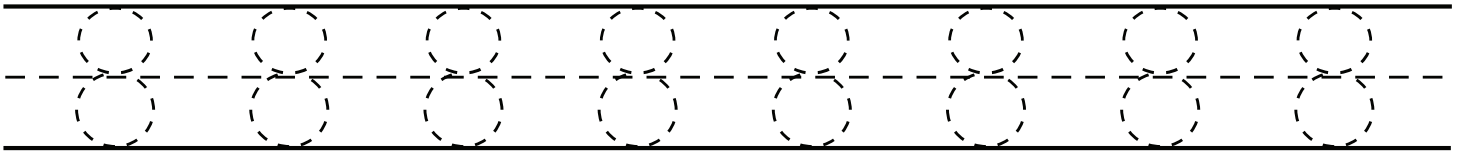

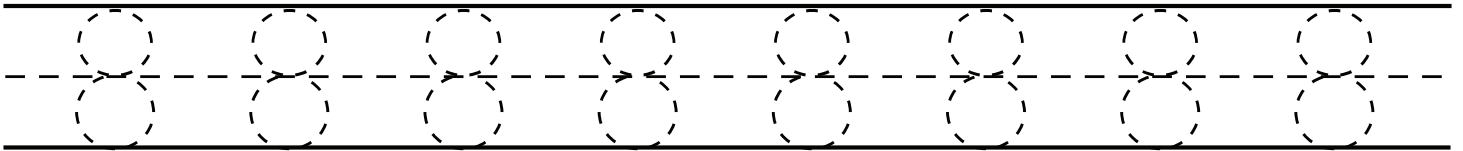

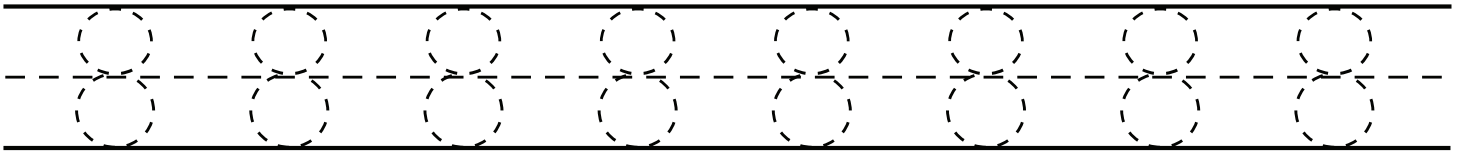

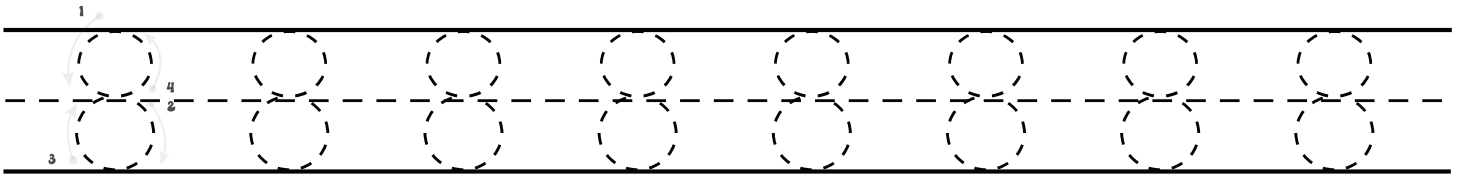

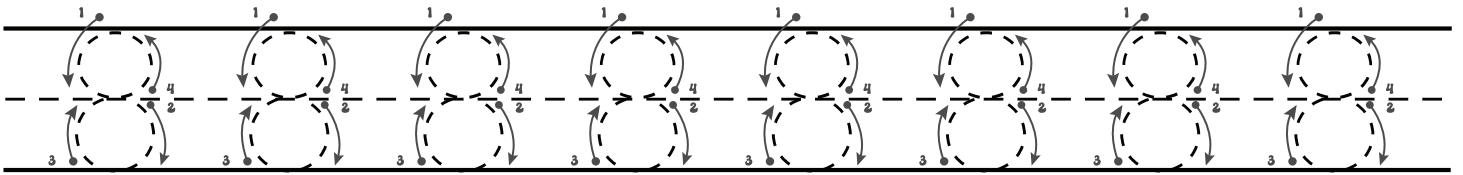

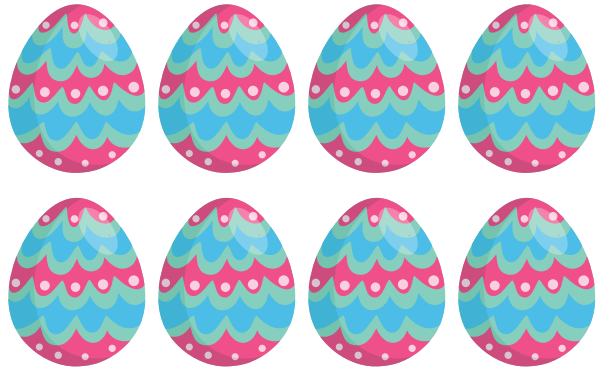

seven

Tracing practice for the number 7. The first row shows seven examples of the number 7 on a three-line grid (top solid, middle dashed, bottom solid). Each example includes a starting dot, a horizontal arrow labeled '1' for the top bar, and a diagonal arrow labeled '2' for the stem. The following five rows provide blank space for practice, with the first row of each set starting with a light gray number 7 and arrows to guide the student.

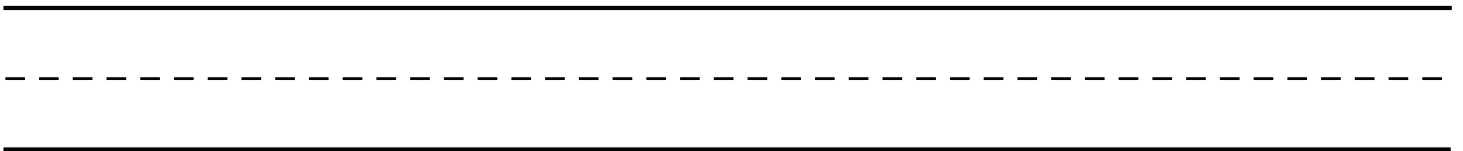

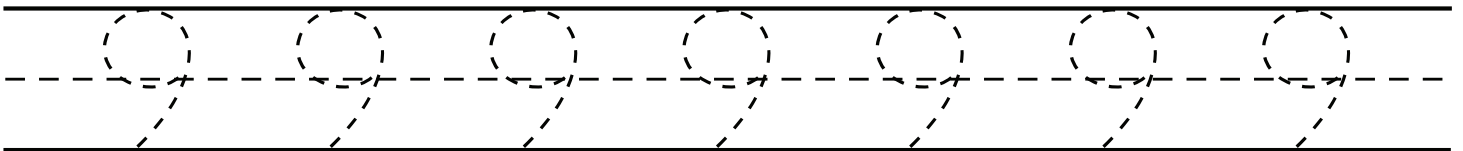

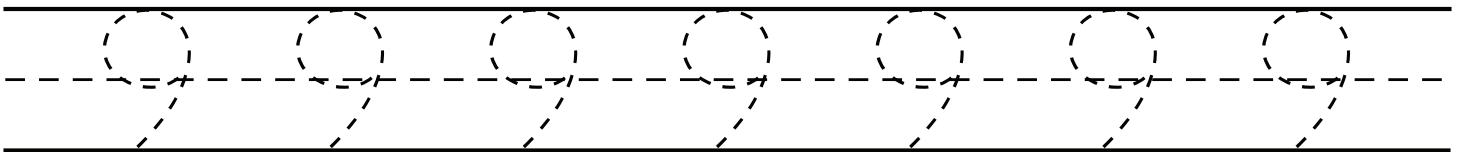

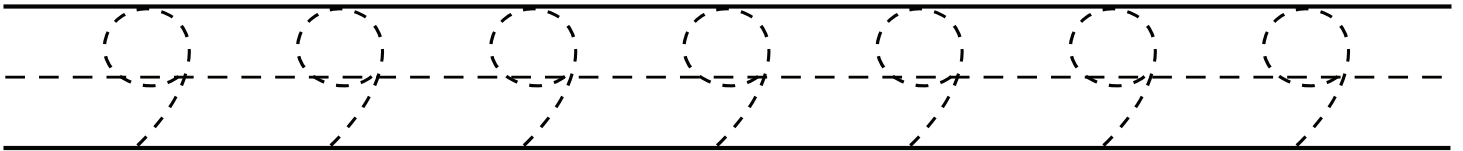

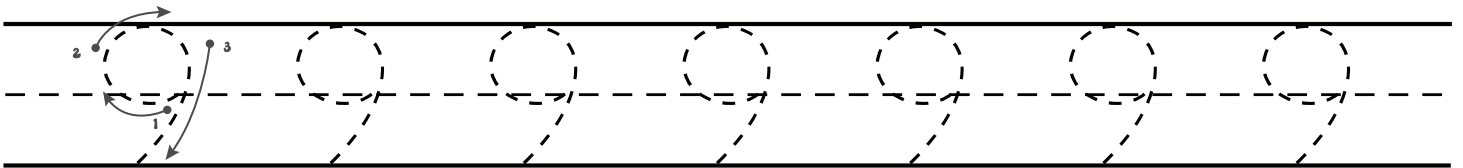

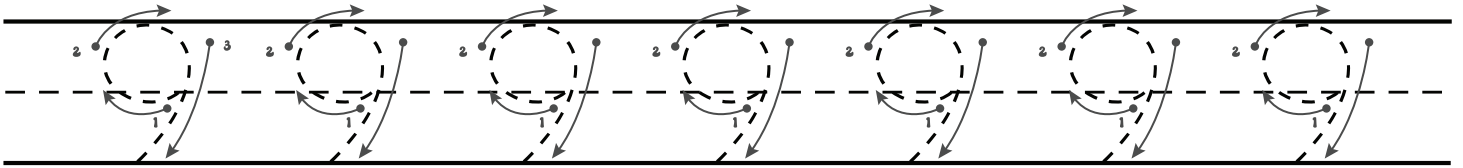

8

eight

9

nine

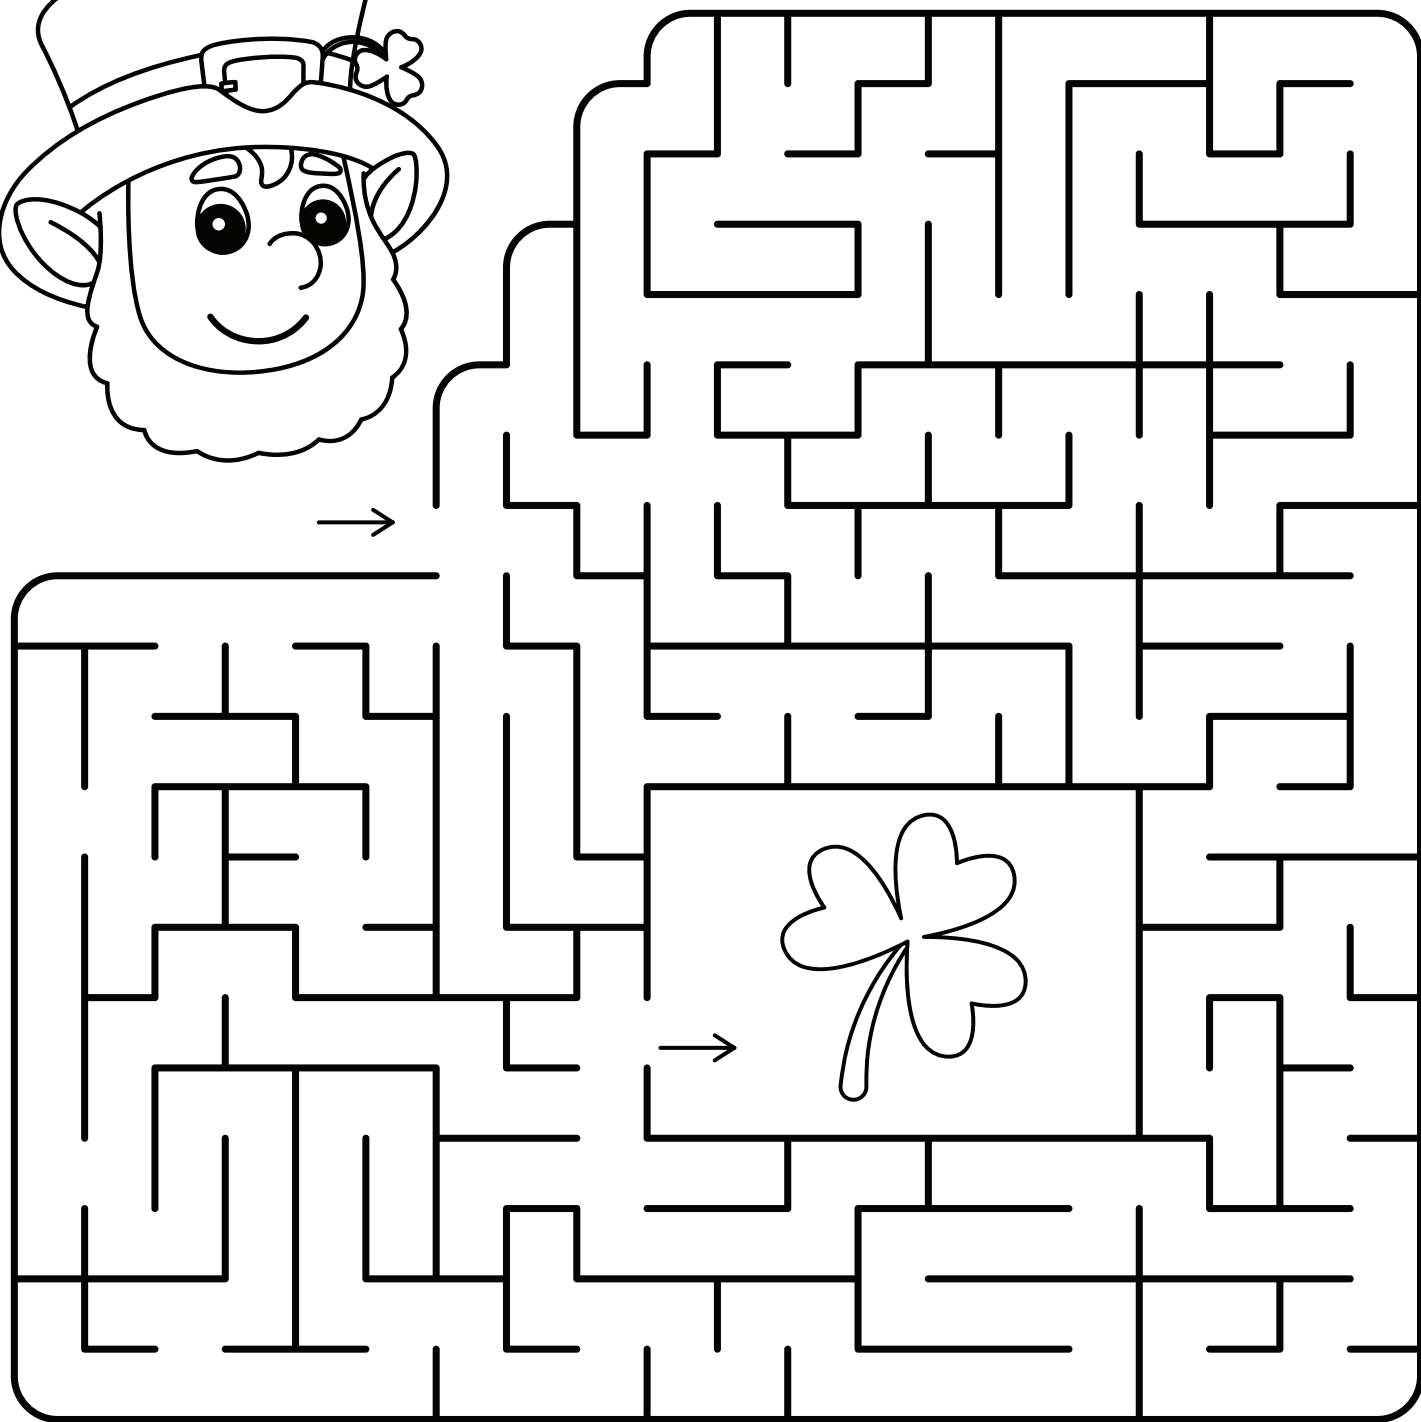

10

ten

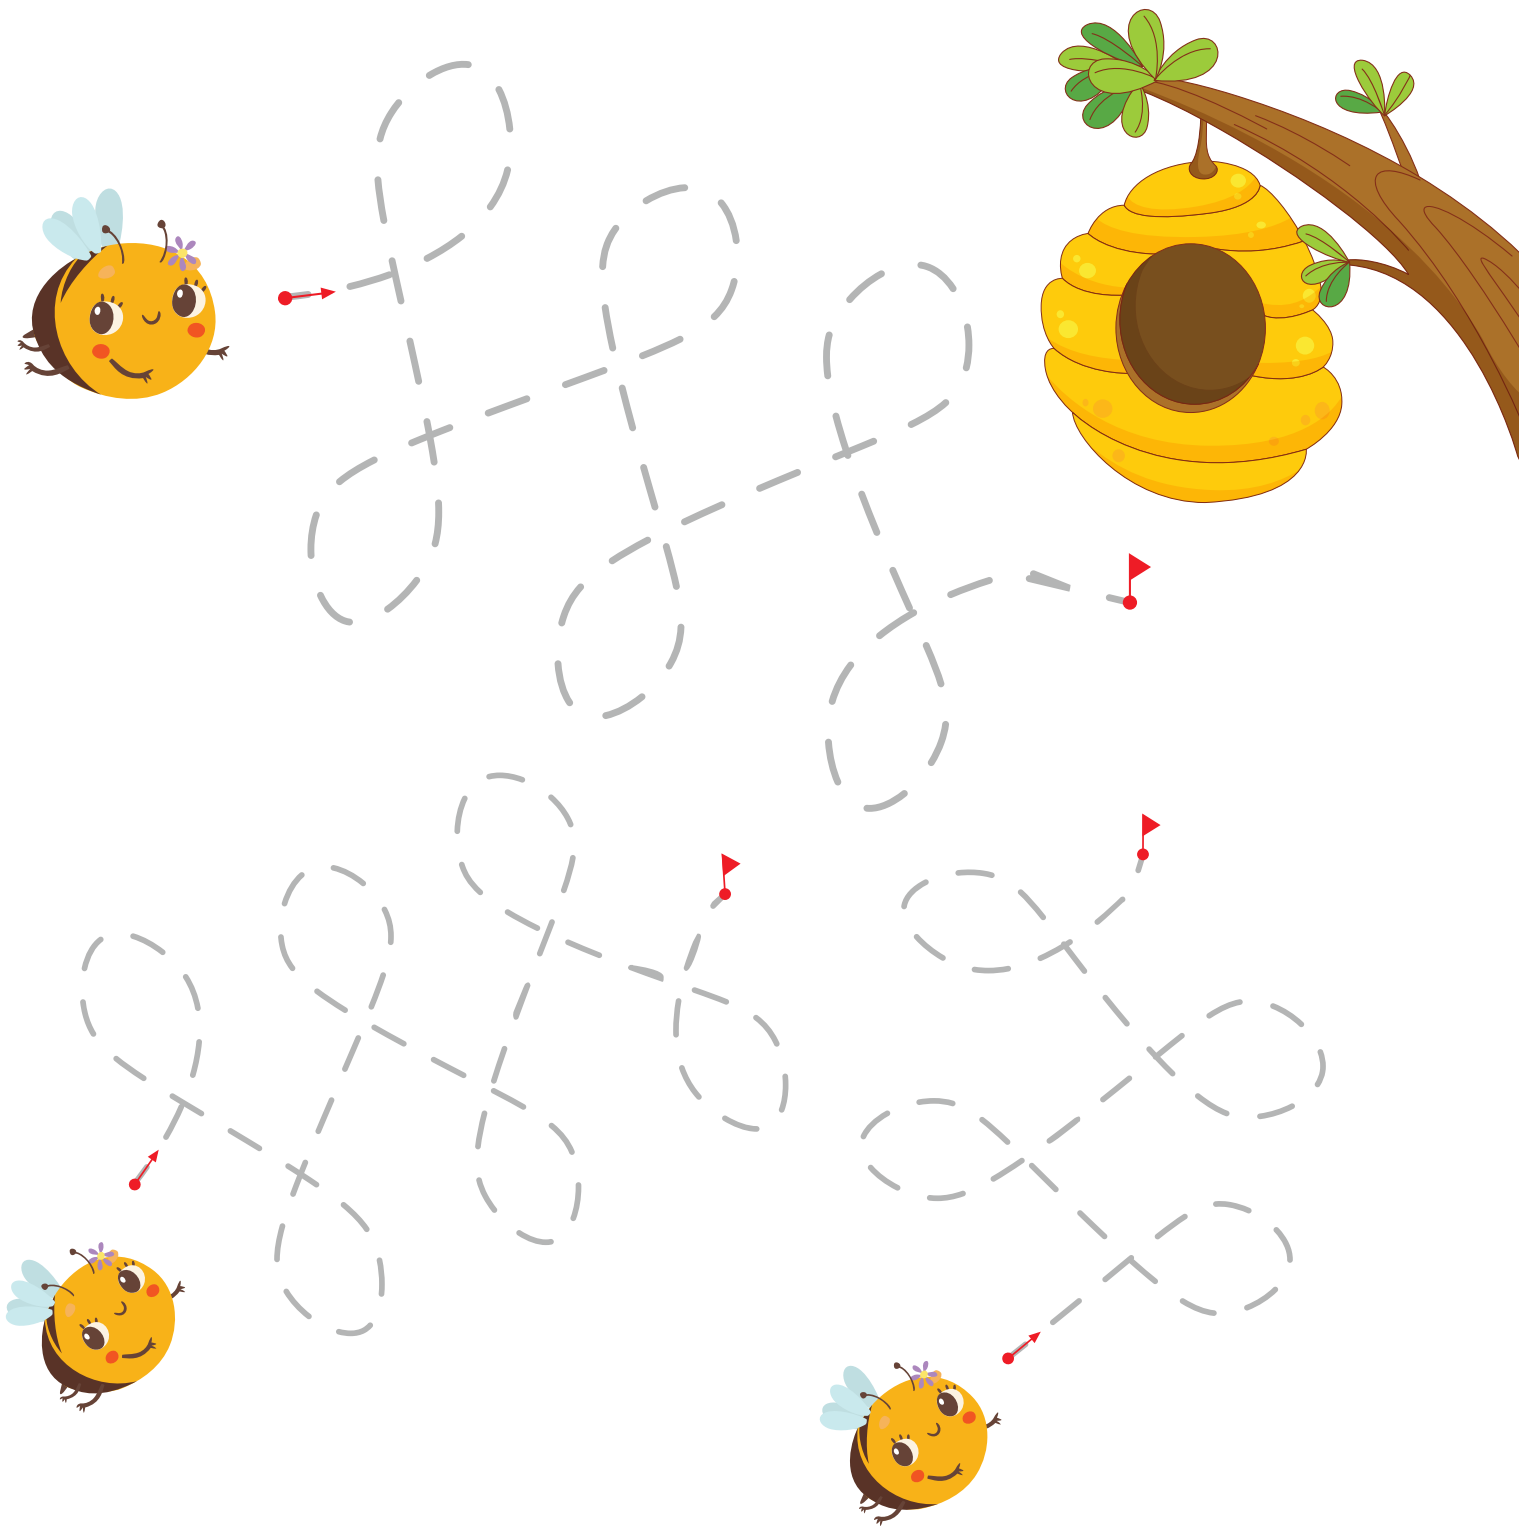

Tracing practice lines for the number 10. The first row shows a solid '10' with stroke order arrows (1 for the vertical line, 2 for the circle) and a dashed '10' for tracing. The following five rows each contain five dashed '10's for tracing. The bottom two rows are empty lines for independent practice.
